Norwalk, CT, August 26, 2009 -Global business intelligence, staffing and web application developer MResult Corp. recently received recognition on the 2009 Inc. 5000 list of fastest growing U.S. companies. The company, ranking 1,663 on the list, has seen continuous growth since its founding in 2002.

The third annual Inc. 5000 list (www.inc.com/inc5000) shows impressive increases in the number of firms devoted to health care, pharmaceutical, and financial services; industries supported by MResult's business intelligence and collaboration portal services.

"We are very happy to be recognized on this year's Inc. 5000 list," said President and CEO Sekhar Naik. "While this has been a very challenging time for the industry at large, we've remained focused on providing our clients with the best value and service we can deliver. We see our inclusion on the Inc. 5000 list as a validation of that approach, and we look forward to continuing our relationships with our valued customers."

The Inc.5000 site details MResult's 193% growth with revenue of \$4.7 million, showing the company's success in the technology services industry. MResult has over 100 employees and consultants working at their headquarters in New London, CT and throughout the US, United Arab Emirates, and India.
